Saving Stockbridge Bowl

www.thesba.org

What's the Problem?

Becoming A Bog

- Weeds
- Silt
- Water Level

So what?

- Impacts boating
- Depleted fishing
- Unsightly
- Property values fall

What else?

- Impacts tourism
- Threatens wildlife
- Poor stewardship

Why is this Happening?

A man-made problem

- Outlet blocked
- Development
- Invasive species

A natural problem

- Phosphorous
- Erosion
- Time

What can we do?

3D Plan!

- Diversion Drain
- Dredging
- Draw Down

What else?

- Weed control
- Reduce runoff
- Monitor

What’s it going to take?

Hard work and $$

- 3D plan takes time
- $2-3 million
- Commitment

Where's the Money?

- Town financial support
- Government funds
- Grants
- Private funds

How can I help?

- Join the Stockbridge Bowl Association
- Pledge funds to 3D
- Lobby Politicians

The Goal?

A healthy Lake.
